## Art that Heals

**Art that Heals** is an inclusive event showcasing the talents of all ages and abilities. The goal is to foster community relationships, inspire, and empower the children and adults Kennedy-Donovan Center supports!

This is a community event and we encourage other local artists to participate and showcase their talents as well. Local artists will donate a portion of the sales from their artwork to KDC. All proceeds from the event will benefit the programs in New Bedford: Day Hab, Early Intervention, Healthy Families, Family Resource Services, Foster Care, and the Special Education School.

## Art Gallery

Walk-through the KDC halls which will be converted into an art gallery for the night. **On display will be unique artwork and craft items created by the children and adults we support.** These pieces will be up for auction where proceeds from the sales will go back to our New Bedford programs and services.
