Impact for Life

TEAM • IMPACT • ACCOUNTABLE • TRANSPARENT

Kennedy-Donovan Center is a multi-service agency that empowers 7,500 individuals and families to face their developmental challenges head-on, each and every day. We offer a wide range of children's and adult programs to more than 150 communities throughout Central and Southeastern Massachusetts. Our dedicated team provides support and partnership by reframing challenges into opportunities, and opportunities into success. It's our collective mission to make an impact to the lives we serve to achieve their full potential.
